Re: 132602: Billing

Dear Jim:

Attached is our bill for the month of March 2001. With this bill we will have charged BVSMA a total of \$40,754.67. Our budget for this case was set initially at \$50,000.00. This letter is to notify you that I am approaching that budget limit and to request an increased budget. Please let me know if you need any additional information from me in order to establish the next budget.

Sincerely,

Paul G. Gosselink
